Our Ref: CMD-II (L)/16: 13730 (Pt. 13)

**01 April 2015**

**Subject: Revision of IS 13730 (Pt. 13): 1993, Specification for Particular Types of Winding Wires: Part 13 Polyester or Polyesterimide overcoated with Polyamide-imide enamelled round copper wire , Class 200 (First Revision) – Reminder for switchover guidelines & STI.**

This is with reference to circular no. CMD-II(L)/16:13730 (Pt.13) dated 15-12-2014 regarding revision of IS 13730(Pt.13):1993 as IS 13730(Pt.13):2014/IEC 60317-13:2010 (hosted in the Intranet on 22-12-2014). Vide above circular, all RO's/BO's were advised to bring in the notice of licensees/applicants under their jurisdiction about the revision of standard and for taking necessary action for its implementation.

Vide above circular, RSBO (custodian BO) was advised to examine the revised standard and prepare & finalize the STI and guidelines for implementation of revised Standard i.e. the procedure for switchover to IS 13730(Pt.13):2014/IEC 60317-13:2010 as desired by the Competent Authority. While preparing the STI and guidelines, the procedure given in the office order BIS/DGO(404)/2014 dated 30-07-2014 shall be followed. However the revised STI and the guidelines have not been received by us so far.

All RO's/BO's are again requested to make necessary follow up action in this regard. The difficulties/comments, if any expressed by the licensees/applicants in implementing the revised standard may be brought to the notice of **RSBO** with their recommendation **within 07 days**.

**RSBO** is again requested to examine the revised standard and take action on the above in line with the details as given in our above circular dated 15-12-2014 on priority since the earlier version of standard shall remain in force concurrently only **till 19 May 2015** and before that all the necessary action such as review of comments received, modification of STI accordingly and finalization/approval of revised STI are to be completed.

The switchover guidelines and revised STI should reach to us **by 20 April 2015 positively**.

The above may be treated as most urgent.
